For the purpose of this study, the following data were collected:

The first group of data was collected from the records of the  
Department of the Interior, Bureau of Land Management, and  
the Department of the Interior, Bureau of Reclamation. These  
records contain information on the land area of the  
Department of the Interior, and the amount of land  
owned by the Federal Government. The second group of data  
was collected from the records of the Department of the  
Interior, Bureau of Land Management, and the Department of  
the Interior, Bureau of Reclamation. These records contain  
information on the land area of the Department of the  
Interior, and the amount of land owned by the Federal  
Government.

The third group of data was collected from the records of the  
Department of the Interior, Bureau of Land Management, and  
the Department of the Interior, Bureau of Reclamation. These  
records contain information on the land area of the  
Department of the Interior, and the amount of land  
owned by the Federal Government.

The fourth group of data was collected from the records of the  
Department of the Interior, Bureau of Land Management, and  
the Department of the Interior, Bureau of Reclamation. These  
records contain information on the land area of the  
Department of the Interior, and the amount of land  
owned by the Federal Government.
